

COMPETENCY HEARING COMMITTEE REPORT FOR DR. ABIMANYI MUGERWA

The competency hearing committee met virtually on September 1, 2022 to review the report of the competency committee and to consider the consent to a decision from the Registrar's office of the College of Physicians and Surgeons and Dr. Abimanyi Mugerwa.

The only information provided to the hearing was the competency committee report in which the committee concluded that "In conclusion, the competency committee is of the unanimous opinion that Dr. Mugerwa's practice does not meet the standard of care expected of a family physician".

The Committee accepts the report of the committee and concludes, as required by section 45(8) of The Medical Profession Act, 1981, that Dr. Mugerwa does not have adequate skill and knowledge in the practice of medicine.
