Dr. A. Albertyn

Dr. Albertyn:

On March 24, 2023 the Council of the College of Physicians and Surgeons of Saskatchewan accepted your guilty plea and the joint recommendation for penalty to the charge of unprofessional conduct. One component of that penalty was a reprimand.

You, Dr. A. Albertyn, having been found guilty of professional misconduct while practicing medicine in the province of Saskatchewan are hereby reprimanded by the Council of the College of Physicians and Surgeons of Saskatchewan.

It was clear at your penalty hearing that you now have insight into how your behaviour was unprofessional and how it affected the complainant, you, and the profession. Council was empathetic to the circumstances that contributed to your conduct. Council was also moved by the obvious remorse you expressed in regards to your behaviour.

Council is supportive of your ongoing treatment and maintenance of your health issues. We do not expect to see you before Council again. We do however expect you to continue to serve the people of Saskatchewan in a professional and ethical manner.
