

I, Dr. Jan Gerhard Van Der Merwe, provide the following undertaking and acknowledgement to the College of Physicians and Surgeons of Saskatchewan (the "College" or the "CPSS"):

- 1) I acknowledge that I have been advised that the Council of the College adopted a charge of unprofessional conduct against me but authorized the matter to be resolved by alternative dispute resolution, provided I enter into an undertaking in a form satisfactory to the Registrar and successfully complete that undertaking.
- 2) I agree that I will provide an apology in writing related to my conduct in removing medications from Regina General Hospital, in a form approved in advance by the Registrar, to the Chief of Staff, Regina.
- 3) I agree that within 6 months I will successfully complete an ethics course on professionalism approved by the Registrar to the satisfaction of the Registrar. Such course shall be completed at the first available date. The programs "Medical Ethics, Boundaries and Professionalism" by Case Western Reserve University, "Probe Program" by CPEP and "Medical Ethics and Professionalism" by Professional Boundaries Inc. are ethics programs acceptable to the Registrar.
- 4) I agree that I will, within two months, pay the costs of the preliminary inquiry committee investigation in the amount of \$8930.11.
- 5) I acknowledge that the resolution by the Council will result in a formal referral from the College of Physicians and Surgeons to the Physician Health Program of the Saskatchewan Medical Association. I will cooperate with any assessments or treatment suggested by the Physician Health Program. I hereby irrevocably authorize the Physician Health Program of the Saskatchewan Medical Association to provide information to the College related to the results of any assessment, any recommendations for treatment, and my participation in any assessment or treatment.
- 6) I acknowledge and confirm that I have read and understand the provisions of this undertaking and that I have obtained independent legal advice in executing this undertaking or have waived my right to do so.
- 7) I acknowledge that I am aware that a breach of this undertaking may constitute unbecoming, improper, unprofessional or discreditable conduct
